

STUDENT VOLUNTEERS!

Student volunteers are essential to any conference by assisting with various duties including registration, set-up, special events, and conference sessions. Volunteering at a conference is also a great way to meet and network with professionals.

The CNEHA planning committee is looking for student volunteers to sign up for at least one 4 hour shift during the 2017 CNEHA Meeting in exchange for free conference registration. You must pre-register for the conference at the student rate. If you are accepted as a volunteer, you will be reimbursed for the amount of your basic registration rate.

Volunteers will be accepted on a first-come/first-served basis until October 15, 2017. Fill out the form online here: <https://goo.gl/forms/yT1NjLBZd09mHndn1> or contact the Volunteer Coordinator, Alix Martin, at amartin@strawberybanke.org.
