

Parking Garages at, and near the New Haven Omni Hotel

If you are staying at the omni, please note that it is a fee of \$29.90/night for valet parking and \$23/night for self-parking. If you are not staying at the Omni, and are interested in using a website to explore parking garage options in New Haven, the Park New Haven website is quite useful and allows you to filter through parking garages by distance from the Omni Hotel. It also shows if a parking garage/lot is a garage or surface parking lot, as well as if it offers charging stations for electric vehicles. If you are interested in reserving a parking spot ahead of time, websites like 'ProPark Mobility' and 'Parkopedia Parking' allow you to do so. Below is a list of the parking areas and garages located closest to the Omni. (*- denotes credit card only parking)

Please note: New Haven is a larger city, and there are several public events going on during the weekend of our conference, so it would be beneficial to reserve parking ahead of time.
